Steam keys / review-code requests

Steam keys for reviews, coverage and streams are sent on request to **info@clubies.de**. Please include:

- Outlet / channel name + URL
- Reach / audience (short note)
- Intended publication or stream window
- Optional: examples of past coverage

Boilerplate – Short (≤ 280 chars)

The Clubies is a party platformer with a built-in level editor by Cluby Games (Saarbrücken, Germany). 1–4 players guide cubes through disco hazards — solo, co-op, or speedrun. Release: May 14, 2026 on Steam; August 10, 2026 on Nintendo Switch.

Boilerplate – Medium (~100 words)

The Clubies is a 1–4 player party platformer from Saarbrücken-based indie studio Cluby Games. Cute cube characters dance through chaotic disco levels with physics-based movement, online leaderboards and a friendly level editor that lets players build, share and rate their own creations. Up to four players in local split-screen, on Steam Deck, or via Remote Play Together — fully localized in 11 languages (UI, audio, subtitles). Multiple Game Award Saar recipient, most recently Best Entertainment 2025. Out May 14, 2026 on Steam (Windows / SteamOS, fully Steam-Deck compatible) and August 10, 2026 on Nintendo Switch and Nintendo Switch 2.

Boilerplate – "About Cluby Games"

Cluby Games is a three-person indie studio based in Saarbrücken, Germany, founded in 2022 by Andreas Hanuja, Marc Ruble and Dennis Gudea — three friends who met during media-informatics studies. Their debut title **The Clubies** has since been recognized with three Game Awards Saar (2022, 2023, 2025) and the Young Talent prize at Indie Game Fest 2022.
